MAKEUP HOURS

Students can makeup hours during course times the student is not normally scheduled for attendance. (For example, night school, Friday or Saturday). Students must contact the Future Professional Advisor to schedule make up hours. The Future Professional Advisor or Service Desk Coordinator will have a list of when makeup hours will be available. Space is limited and students will be added to the list in the order they sign up on the makeup hour sheet. Students must complete a Future Professional Make-Up Request Form indicating the date, time, activity completed, and the name of the Learning Leader who supervised the make-up time
